

DEPARTMENT OF CONSERVATION
DISCUSSION DRAFT OF PROPOSED HYDRAULIC FRACTURING REGULATIONS
WORKSHOP AGENDA
FEBRUARY 19, 2013 – LOS ANGELES, CA

9:00 – 12:00 Welcome / Introductions / Expectations

Discussion / Comments / Q&A:

Section I – Provisions for Pre-Fracturing Well Testing

Section II – Advance Notification

Section III – Monitoring During and After Fracturing Operations

Section IV – Disclosure of Materials Used in Fracturing Fluid

12:30 – 1:30 LUNCH BREAK

1:30 – 4:00 Discussion / Comments / Q&A

Section V – Trade Secrets

Section VI – Storage and Handling of Hydraulic Fracturing Fluids

Section VII – Other Topics Not Presently Considered in Discussion Draft

Note: Each section will start with a short (5 minutes) overview of the discussion draft section's content followed by approximately 40 minutes of questions, suggestions, and discussion. Moderator will transition from each section after approximately 45 minutes. The Department advises attendees wishing to participate in only part of the workshop that this order is fixed, but timing may vary.
